## Education

**St Paul's Sr Sec School**

**April. 2011 – April 2020**

*Bachelor of Technology in CSE*

*July-2022 – July-2026*

## Relevant Coursework

- Data Structures
- Algorithms Analysis
- Database Management
- Internet Technology
- Software Methodology
- Web Development
- Machine Learning
- Computer Architecture

## Projects

**Advance Resume** | *Live Demo*

**September 2024**

- Developed Responsive Web Applications: Created user-friendly web applications using React and Tailwind CSS, ensuring they work well on all devices.
- Implemented Component-Based Architecture: Built reusable components with React, improving code maintainability and reducing development time.
- Styled User Interfaces Efficiently: Used Tailwind CSS to design visually appealing layouts and styles, enhancing the overall user experience.

**E Commerce Website** | *Live Demo*

**August 2024**

- Developed E-Commerce Website: Built a fully functional e-commerce website using React and Tailwind CSS, allowing users to browse and purchase products easily.
- Optimized Product Display: Designed responsive product pages with Tailwind CSS, enhancing the visual appeal and improving user engagement.

**Medinsurance Planner** | *GitHub Repo*

**October 2024**

- Utilized ML Algos to analyze data and predict insurance costs, helping users make informed decisions.
- Employed techniques such as regression analysis and classification to enhance the accuracy of insurance plan recommendations.
- Created visual representations of data trends and model outcomes.

## Technical Skills

**Languages:** C++ , Python, C, HTML/CSS, JavaScript , SQL

**Developer Tools:** VS Code

**Technologies/Frameworks:** Linux, GitHub , ReactJS

## Leadership / Extracurricular

**Leadership Activities**

**Spring 2020 – Present**

- Collaborated with peers on community service projects, demonstrating a commitment to helping others.
- Gained foundational knowledge in numerology, exploring its significance and applications in real life.
- Participated in organizational events and activities, contributing to a strong sense of community.
